

# ENRICHING LIVES THROUGH ENTREPRENEURSHIP

## VISION

Establishing the leading center of innovation and creativity in Jakarta

## MISSION

We are committed in helping IDEC members to develop and reach their goal by:

- 1 Delivering sustainable entrepreneurship ecosystem in Jakarta
- 2 Creating the opportunity as a bridge between members and startup experts
- 3 Increasing the numbers of successful entrepreneurs in Indonesia

## IDEC Information Center

- 1 PIK Avenue
- 2 Metropolitan Tower
- 3 Centennial Tower

## ABOUT US

Indonesia Entrepreneur Center is a government initiative to create an inclusive, impactful, and vibrant Entrepreneur community to encourage the growth of entrepreneurship in Jakarta.

IDEC delivers weekly educational entrepreneurship program by inviting successful and inspiring Start Up experts and Entrepreneurs with great experiences to equip IDEC participants with fundamental knowledge and skills.
